

Description

- Material:**
- body: steel, case-hardened, ground;
 - control module: steel, blackened.

- Characteristics:**
- x in the table represents the centering accuracy (less than) in millimeters;
 - m in the table represents the release moment (Nm);
 - F1 (N) in the table represents the holding power;
 - * represents: control module HK11.0000.0001;
 - * 1 represents: released;
 - * 2 represents: clamped.

- Other products:**
- HK12: connecting ring;
 - HK23: covering for connecting elements.
