

REACH Declaration of Conformity

Lisse, Netherlands, 2026

We, BIBUS BV
Meer en Duin 295
2163 HE Lisse
The Netherlands

hereby confirm our commitment to complying with the EU REACH Regulation (EC No. 1907/2006). We wish to inform you that we are not directly subject to substance registration requirements, as we are neither a manufacturer nor an importer of substances.

Under the REACH Regulation, BIBUS BV is classified as a 'Downstream User'. As such, we are not obligated to pre-register substances.

Nonetheless, as a responsible 'Downstream User', we ensure that all our product suppliers are informed of the REACH legislation and the associated pre-registration requirements. We recognize the importance of this regulation and expect our suppliers to comply fully with the requirements of the European Chemicals Agency (ECHA).

Based on information provided by our suppliers and to the best of our knowledge, we can confirm that all products supplied by BIBUS BV do not contain any of the 253 substances of very high concern (SVHCs) listed under REACH, as updated by ECHA on February 4th, 2026 (<https://echa.europa.eu/candidate-list-table>), at concentrations exceeding the permitted threshold of 0.1%.

We trust this declaration meets your requirements. Should you have any further questions, please do not hesitate to contact us.

Yours truly,

BIBUS BV
